

# Volunteer Information Packet

Dear Volunteer,

Thank you for agreeing to serve as a pro bono attorney or community volunteer for the Protect the Vote 2008 Campaign. The excitement and enthusiasm surrounding civic engagement in Mississippi will be reflected in the increased numbers at the polls. As a result, an increased need for educating voters and anticipating, identifying and responding to voting irregularities has arisen.

Your work on November 4th will help ensure the integrity of the electoral process. Our goal is to be a resource, assisting voters with exercising their rights and solving problems from the registration process to the ballot box. To that end, our call center, statewide "rapid response" network, and expert resolution panel will afford comprehensive election day coverage, providing free and immediate legal assistance to those whose rights are in jeopardy.

To assist you in helping voters overcome obstacles and cast their ballots, this packet includes the following sections:

1. An overview of the categories and roles of volunteers
2. Know Your Rights Quick Reference
3. Protect the Vote 2008 Training Manual
4. MS Election Code (**provided to RDs only**)
5. Election Day Protocol (Call Center and Regional Command Centers)
6. Volunteer Contact List
7. County Precinct Listing
8. Forms (call center log, complaint form, etc.)

Our staff and dedicated partners are committed to supporting you with materials, training and guidance. We are confident that as problems arise, your leadership will make the difference. Again, thank you for your commitment to making democracy work in Mississippi.

Sincerely,

Yumeka Rushing  
Project Director
